Subject: Reference letter for Mr. Arben Gashi

MD Consulting LLC is an international consulting solution provider. Our customized and tailored end to end consulting services provide our clients with flexibility, scalability and optimization in meeting their business goals. By using precision consulting methodologies, the company is able to provide process integration through transformed and automated customer experiences.

With Mr. Gashi, MD Consulting started cooperation by mid-year 2020 in many fields of the business consultation services mainly focusing on: Business support services & development, ISO Standard Implementation, Quality Control, Social Standards system establishment, Market research and consumer behavior studies, application for SME at international donor's community and various feasibility studies.

To date with Mr Gashi we have developed several proposals and started numerous processes related to the business development, application to several agencies and pursue new possibilities.

In this direction MD Consulting SHPK recommends highly Mr. Arben Gashi as a senior business development consultant.

If you have further questions about Mr Gashi, please do not hesitate to contact us.

Sincerely,

PhD (C) Vigan Disha  
Managing Partner  
10000 Prishtinë, Kosovë
